How to Buy Yello: Army Chess

Enterprise Solutions – Software 2 (ITES-SW2) contract

Army Computer Hardware Enterprise Software and Solutions (CHESS) office, in coordination with Army Contracting Command – Rock Island (ACC-RI), awarded the Information Technology Enterprise Solutions – Software 2 (ITES-SW2) contract.

- \$13 billion firm-fixed-price, indefinite delivery/indefinite quantity (ID/IQ) contract vehicle dated August 31, 2020
- Open to Army, DoD and all other federal agencies

ITES-SW2 is specifically designed as the primary source to support the Army's enterprise information technology (IT) infrastructure and info-structure goals, by leveraging commercial off-the-shelf (COTS) software products and maintenance in 14 product categories.

- [Army CHESS Website](#)
- Orders are submitted via CHESS RFQ or RA tools

How to Buy Yello: Direct Purchase or Sole Source

Direct Purchase or Sole Source

Federal Agencies are contracting directly with Yello to take advantage of its unique services and capabilities. Market research assistance along with pricing catalog is available below.

FAR 6.032-1(a)(2) is the most common rationale for sole-source procurements. It states:

“WHEN THE SUPPLIES OR SERVICES REQUIRED BY THE AGENCY ARE AVAILABLE FROM ONLY ONE RESPONSIBLE SOURCE...AND NO OTHER TYPE OF SUPPLIES OR SERVICES WILL SATISFY AGENCY REQUIREMENTS, FULL AND OPEN COMPETITION NEED NOT BE PROVIDED FOR.”

Purchasing Yello Government Recruiting Solution services on a sole source basis provides additional flexibility to customize Yello’s service offering and solutions.
